## BAR HILL CATHOLICS

Welcome to anyone who is new to Bar Hill, or visiting the village. We have Mass every Saturday evening at 6.00pm in the Church Centre. (This is the first Mass of Sunday, and thereby fulfils the Sunday obligation.) Do come and join us - we will be very pleased to welcome you.

There is a House Mass on Thursday 11th September at 8.00pm at Mary Richardson's, 5 Field View. Again, everyone is most welcome.

Colours Club, for children of primary school age, re-starts after its summer break on Tuesday 9th September, at 3.45pm in the Church Centre. Children leaving school at 3.30pm can come straight to the Church Centre as we will be there from 3.30 onwards.

Parents of Colours Club children are invited to a meeting on Friday 5th September at 8.00pm at 1 The Fairway. Please do come - this is a very important evening in your child's developing understanding of our faith. Father David will be there to explain what we hope to achieve at Colours Club and how your involvement at home plays a vital part. We would welcome your thoughts and ideas too.

Advance notice of the AGM of Bar Hill Catholics to be held on Thursday 2nd October at 8.00pm at 34 Acorn Avenue. More information about this later, but please make a note of the date and keep this evening free.

Please ring me if I can help with any information on Catholic activities, either in Bar Hill or Cambridge.

## THE SUNSHINE PLAYGROUP

Welcome back after the summer break. Hope everyone enjoyed the odd days of sunshine! We have been busy during the holiday, the playgroup building has been completely re-decorated inside and it looks lovely. Also during August we held an Activity Day which proved very popular and was very successful.

We would like to take this opportunity of giving our congratulations to Marilyn Collins who has now become a fully fledged Supervisor in playgroup having just completed a year's PPA Playgroup Leaders Course in Cambridge. We would also like to welcome Anne Chenisse who, together with Lesley Dickinson is an Assistant Supervisor and so makes up our complete team.

On Tuesday 16th September at 8.00pm we will be holding an Open Evening for playgroup parents to come along and have a chat with our new team and to enable them to show our parents some of the activities we do during our playgroup sessions and explain the reasons behind those activities.

NOTES FOR YOUR DIARY:-

We look forward to seeing everyone at the beginning of term on Monday 8th September at 9.00am.

Dear Resident,

The County Council has confirmed its spending programmes for the years 87/88 and 88/89, both Capital Programme and Development of Services. Locally they include Capital Expenditure on a 3 classroom extension to the Primary School Bar Hill plus the provision of a Permanent Library. The 3rd year of the Medium Term Plan for 90/91 will be agreed at the next Full County Council Meeting in November.

The Government have announced its Block Grant to Local Authorities for 87/88, this has been set nationally at £12.9 billion an increase of £1.14 billion over 86/87 and will cover around 46% of Local Authority allowable expenditure. The amount individual Authorities including Cambs. will receive will be announced in late Autumn.

There will be a public meeting at SwaveseyV.C. on Sept 12th at 7.30pm to discuss the County Council's Structure Plan and its effect on this area including the proposed new settlement near Swavesey.

I am pleased to have been re-appointed by the County Council to continue representing them on The Manpower Services Commission's Area Manpower Board for Cambridgeshire and Bedfordshire.

PAYING FOR LOCAL GOVERNMENT - BLOCK GRANTS TO LOCAL AUTHORITIES

The exsiting grant arrangements are not only extraordinarily complex but fail to provide proper accountability. The system must therefore be made simpler, and the local taxpayers must not be prevented from seeing a direct and understandable link between the Authorities spending and their Rates bill.

A NEW TWO PART STRUCTURE IS PROPSED COMPRISING:-

a) A needs grant to compensate Authorities who need to spend more than they can be expected to raise locally to provide services of a common standard and b) A standard grant to reduce local tax bills in each area by a standard amount. BOTH GRANTS WOULD BE FIXED IN CASH IN ADV.

If anyone wishes to contact me either 'phone 'Careline' CH 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

NOW READ ON .....

Are you a book-worm? And are you the sort of bookworm who likes talking to other people about the books you read? If so, the NHR Book Group is for you!

We meet, very informally, in somecne's house, about every six weeks or so, and over coffee and biscuits talk about the books we've read and sometimes television or radio programmes, plays and films as well Usually we pick a book for us all to read, or choose an author and pick one of his or her books each. You don't have to belong to NHR (although of course should you decide you'd like to come to that as well you'd be very welcome!) and we don't read very highbrow books. Some of those we've read lately are:

First among Equals by Jeffrey Archer
The Tenth Man by Graham Greene
The Tortoise and the Hare by Elizabeth Jenkin
Our own choice of biography
A love story (not Mills and Boon, although we did sample those last year)

This month we are reading books by Ruth Prawer Jhabvala, of which, "Heat and Dust" is one.

So, bookworms all, if you'd like to wriggle into Book Group, just snake (or make) your way round to Pauline Germain's, 3 Pheasant Rise on Tuesday 9th September (or thereabouts) where you'll be assured of a worm (sorry, warm) welcome. Or ring one of us if you'd like to come with someone on the first occasion.

SPORT AND LEISURE CENTRE OPEN MEETING 19TH SEPTEMBER

The Sport and Leisure Centre Committee are to give a presentation on the 19th of September at 8pm in the Village Hall. All residents are welcome to attend. Below is a brief outline of the committees work and achievments so far.

When conducting a door to door canvas of the village, the committee received an overwhelming response of dissatisfaction with the leisure amenities presently available in Bar Hill and surrounding district. Many suggestions were offered regarding the sport and leisure activities which should be catered for and the majority are included in subsequent plans.

What is certain to be a major dissapointment is that building a swimming pool has to be deferred. It was concluded that the prohibitive cost demands a swimming pool and more adventurous facilities are built only when a sports hall is capable of financially supporting what is likely to be a loss making, though highly desirable feature.

Furthermore, the cost of building a hall catering for all the desired functions is also too nigh to fund in one project. Reluctantly therefore, the committee have decided to plan building the entire complex in 3 phases. The following drawings cover phases 1 and 2 only. An area to the North of and adjoining the proposed complex is planned for the construction of a swimming pool when finance and planning permission allows.

The cost of building phases 1 and 2 is estimated to be £540,000. It is anticipated that the capital building cost will be financed by:

a. Capital Grant from the South Cambridgeshire District Council,
b. Capital Grant from the Sports Council Eastern Region,
c. Parish Council Rates support,
d. Local fund raising events.
e. Donations.

A District Council grant is being applied for and will be discussed at the General Purposes Committee meetings in July, September 86 and March 87. Representations to the Parish Council are being made to assist with the capital building cost. Local fund raising is being undertaken enthusiastically by a sub-group of the committee and by individuals, details of which will be available at the open meeting. Assistance from companies to date is restricted to an offer to glaze the new complex at "considerably reduced cost" by ANGLIAN WINDOWS and assistance, when appropriate by ANNE NORMAN, KITCHEN RANGE and GST.

If you have specific queries regarding this project, I will be only too happy to take the question by phone and give the answer at the open meeting.

BAR HILL ALLOTMENT AND GARDEN SOCIETY

First the good news - we have recently had an encouraging uptake of plots on the allotment site. Long may it continue. At about this time of year we can offer FREE rental until October when subscriptions are renewed. Why not give one a try - you have nothing to lose and we have plenty available.

Now the bad news - there was such a disappointing response for the "best garden competition" that we are unable to hold one this year. (Only 6 entries). We will only have ourselves to blame if these "side sections" of the society collapse through lack of support. My apologies to those members who did bother to enter but the potential winner would have had a very "hollow" victory.

A reminder that the shop opens every Sunday 11.30 - 12.30 for your garden requirements. Please continue to support us during these difficult times.

Dave, CH 81048

BAR HILL COLTS F.C.

We are looking forward to the 86-87 season. The club has expanded this year and will field two league teams - U11 and U12. The U11's will be looked after by Jack Fleming, John Targell and P.C. Jim Turney, as last year the U12's manager and coaches will be Dick Barker, Ray Mole and Mervyn Pope. Team lists will be published in the next Bar Hill News. Our mighty mites continue to grow both literally and figuratively! We now have approximately 30 under-9's turning up for Saturday morning practice. We are still looking for sponsorship for these children in order to at least buy team t-shirts for when we play friendlies and also to get footballs. With so many children we appreciate all the help we can get with coaching - Graham Parrant, Mick Egan and John Aves, and other parents, whose names we do not know, turn up on Saturday to help coach.

If your child is interested in playing football and is between the ages of 5 and 12 just turn up at the school field on Sat. mornings. at 10.30am.

Jennie and Dick Barker, CH 80702

## DAVE AND GERRY'S DISCO - VILLAGE HALL

Not much to report this month as there has been no activity since our "disaster" on July 4th. But we have put all that behind us and will be pressing ahead with a new programme beginning:-

Friday September 26th - when we hope to have either "Night Music" or "Solara 7".

I must stress the need of your full support as we cannot afford (literally) to slip up again. So lets put our noses to the wheel and shoulders to the grind stone and make a success of our first effort after your summer break.

Moving on to other things - how many of you believed Gregs excuse for his "shiner". You must admit, it was original.

See you all soon,
Dave (81048)

## 20th ANNIVERSARY OF BAR HILL

We will be celebrating this on 27th June 1987 with a GRAND FETE.

The reason for this being that the 10th anniversary was celebrated in 1977 and by 1988 - the 21st year, there may well be construction work on the green for the Sports Hall - see item in Bar Hill News.

If you have any ideas of things we should include in the programme or could help us with a Marquee, please contact:-

Bunty Waters, 77 Foxhollow, CH 81493
Jackie Jones, 16 Acorn Avenue, CH 81613 or
Jo Mason, 34 Hillcrest, CH 82479

before 30th September 1986.

## HINTS ON TREE CARE AND MAINTENANCE

Does my tree still need to be staked?

Large numbers of trees have been planted and staked around Bar Hill. Tree stakes are used to support young trees until such time as they produce sufficient roots to support themselves. This normally happens within 3 years of planting.

After this time many trees are actually damaged because the stakes and ties are not removed early enough. Trees can become distorted or die due to the tree ties not being adjusted, or by chaffing against the stake. So tree stakes and tree ties are best removed around 3 years after planting.

Do young trees need to be weeded?

Trees planted into grass lawns often show poor growth and survival. This is due to the fact that grass competes very strongly for moisture. Tree growth and survival can be greatly improved simply by maintaining a grass free area of about a square yard at the base of each tree.

Jeff Kew, Assistant Forestry Officer,
Cambridgeshire County Council (Tel. 81117)

## BAR HILL WOMEN'S INSTITUTE

The next meeting of the W.I. will be held in the school on Tuesday September 9th at 7.30pm when we will welcome back, after the summer break, old and new members.

Our speaker this month will be Dr. Peck, the Farming Doctor and the competition will be "Recipe Try and Taste". As our previous Plant Bring and Buy Table was so successful we will again be making this the theme for the table.

Our coffee mornings are proving very popular and the next one will be held at 102 Field View on Tuesday September 30th at 10 o'clock.

## 1st BAR HILL SCOUT GROUP

The Scout troop have recently returned from their annual summer camp at Broadstone Warren in East Sussex. The weather was good and the boys took part in activities which included skinning and cooking fresh rabbits over the camp fire and building their own shelters for sleeping from immediately available materials.

Everyone enjoyed the swimming gala and International Camp Fire Entertainment with visiting German and Danish Scouts. The activities which are arranged for the cubs and scouts would not take place satisfactorily without the skills and enthusiasm of the lads and our thanks go to the leaders who dedicate their time and talents to the young people.

This is a very interesting and rewarding activity and further help is urgently needed to ensure that the troop continues to function. If you can help in any way please contact Roger Mason G.S.L. at 34 Hillcrest (CH 82479), at any time.
